

JB Commercial Finance

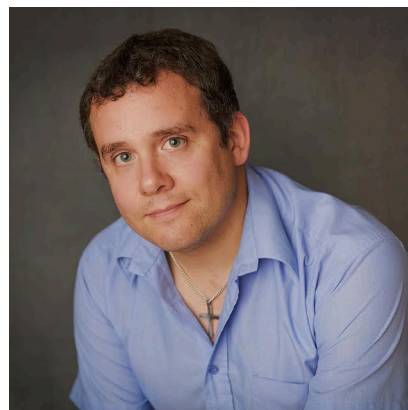

James Blacklaws, Director of JB Commercial Finance, is a highly experienced and fully independent Commercial Finance broker with whole of market access. He provide a one-stop-shop for funding and business loans. Whether you are looking to buy commercial premises or develop your business, James believes in providing you with honest, fair and flexible advice to help you make the right decision.

Authorised and regulated by the FCA, James is also a Member of the National Association of Commercial Finance Brokers (NACFB), giving you and your business full peace of mind and protection when it comes to your funding solution, and always offers a personal approach to sourcing finance.

Whether you are investing, need a commercial mortgage or you been turned down by traditional lenders such as banks, make sure you have the right commercial finance solution for your investment.

Specialise in:

- Helping business owners raise the required finance to purchase their own trading premises
- Finding finance for businesses where others cant
- Helping find working capital financing solutions for businesses in need of cash for growth or survival
- Ensuring property developers have access to the most suitable and flexible financial solution for their requirements

Testimonials:

Gemma Melling - Owner of Cheeky Monkeys Day Nursery , Nuneaton

"Amazing service and always very thorough and helpful. Helped us on a number of projects over the years and always been supportive and on hand when needed. Very speedy and works hard to explore the market and find the right deal for you.... Thanks as always James"

Charlotte Anderson Dilkes - Director Masie Darling Bridal

"Thank you so much, James for the support and advice that you recently gave me. I asked for information regarding business finance and government schemes during the lockdown and you were able to guide me through the process with up-to-date information. You have gone above and beyond during this recent time, offering free advice and keeping all businesses informed of all the financial developments. Thank you very much"
